

Part Six

VSA SCHOLARSHIP

(Updated March, 2012)

The VSA Scholarship is set up to recognize Vermont swimmers for their accomplishments within the sport of swimming. The scholarships will be awarded to swimmers who have displayed the greatest dedication and excellence within the sport. To be eligible for the award, an applicant needs to be a graduating high school senior or have graduated high school, swimming in the current summer swim season, and considering continuing his/her swimming career into college.

An informational package will be posted on the Vermont Swim Association website in July of each year.
